

CompanySpotlight

Holistic Hands -Restorative Wellness Center

Holistic Hands is a restorative wellness center providing elegantly therapeutic solutions to embrace the spirit, evolve the mind, and restore the body. We are committed to supporting the process of enhancing the well being of all individuals through the integration of holistic, complementary, and alternative body therapies. Holistic Hands offers many modalities and services that include, massage of many modalities, corporate chair massage, nutritional education, neuromuscular re-

education, deep tissue integration, geriatric massage, pregnancy pre/post, skin care, body (soma) works of masques, scrubs, and wraps, customized nutrition and supplements, massage oils and herbal blends, mobile massage for home, or office and land and sea SPA parties for all occasions.

Most Popular RD Alchemy Products Used: Educe™ - Detoxifying Scrub, Masque, Hydrotherapy Soak, Serum and Massage Oil.

The Benefits of Using RD Alchemy Products: The Educe™ detoxifying products are perfect for our detoxifying body wraps, scrubs and massages. They also work synergistically with our infrared sauna sessions to enhance the detoxification process.

Customer Results and Feedback: Our customers love how well they feel after treatments with the Educe products. It helps flush out toxins and reduce inches. They feel invigorated and renewed after being treated with them. They also always rave about the scent!
