

# Redox™ Antioxidant

## Features & Benefits:

- High in natural plant antioxidants
- Supports healthy response from free radicals
- Supports healthy response to environment
- Reduces the appearance of aging

Fifteen herbal extracts of: Turmeric, Hawthorn, Spirulina, Chlorella, Green Tea, Ginger, Amalaki, Rosehips, Bilberry, Rosemary, Ginkgo, Licorice, Schisandra and Siberian Ginseng help support a healthy response from free radical damage that has been shown to cause cellular oxidation. High in natural plant antioxidants; these herbs help support the body's response to environmental stress and help to reduce the visible signs of aging. The phytochemicals work synergistically providing natural, plant derived vitamins, proteins, enzymes, antioxidants and much more to help support a healthy body.
